301 POSSUM PARK ROAD • NEWARK, DELAWARE 19711 • 302-366-8330

March, 2010

Dear Temple Member:

Temple Beth El is excited to announce this special opportunity to beautify our Sanctuary. With your support, we can bring new warmth and color by providing five new themed windows. Designed by member Karen Venezky, the windows will be recessed with backlighting in the wall above the partition.

Opportunities are available for single and joint donations per window to honor or memorialize meaningful life cycle events, friendships, or networks. Contributions will be acknowledged with a plaque consistent with other windows and dedications in the Sanctuary.

In honor of his 23 years of dedicated service that Rabbi Kaplan has provided to Temple Beth El and the Newark Interfaith Community, a window will be specially set aside for recognition by congregants and friends. Children are also welcome to donate in honor of their special relationship with Rabbi Kaplan. The size of the Rabbi's window will be determined based upon the total of pledges received. Due to the weather experienced by all in February, the deadline has been extended to April 25th.

We are especially pleased to announce that window #5, representing the High Holidays, has been generously donated. Another contributor is currently seeking partners for sharing a window donation. We are seeking donors for the remaining windows, so please consider making your donation while the opportunity and flexibility for this unique purchase are the greatest.
